

Ace Hardware Celebrates Father's Day By Revolutionizing Dads Grilling Shoes

The Ultimate #AcelsTheFathersDayPlace Contest Honors Dads Everywhere With Limited Edition, Bluetooth-Enabled Ace Grilling Shoes From The Shoe Surgeon

Oak Brook, Ill. (June 8, 2022) – This Father's Day, Dads everywhere will slip their feet into their trusty grilling shoes, yet they are often old, dingy, and smelly. That is why Ace Hardware is bringing a fresh, modernized twist to dad's dependable accessory with their own grilling shoe, revealed today with the announcement of the #AcelsTheFathersDayPlace Social Media Sweepstakes.

Beginning June 8, Ace Hardware is asking families to show off dad's current grilling attire, including their scruffy, worn, and torn grilling shoes on social media. On Father's Day, June 19, three lucky winners will be chosen at random to win the grand prize: state-of-the-art original grilling shoes made by The Shoe Surgeon; a grill from Weber, Traeger or Big Green Egg; and an Ace grilling swag bag.

As the top destination for the best grill brands and all grilling accessory needs, Ace Hardware is THE place for all of dads grilling needs, and that now includes replacing his dirty, old grilling shoes that are typically found near the grill. Created in collaboration with Dominic Ciambone, founder of The Shoe Surgeon, the limited edition Ace grilling shoes have all of the essentials and modernized upgrades that every dad deserves:

- Bluetooth technology lets Dad order grill fuel and start his BBQ playlist with a click of a button;
- Pre-smashed backs make them easier to slip into as dad goes in and out of the house to grill;
- heat-sensitive leather changes color while grilling, and
- cushy turf insoles help Dad stand and deliver in comfort

Made just in time for Father's Day, these limited edition and first-of-its-kind innovative shoes are the latest way Ace Hardware makes grilling easy.

"Ace Hardware is the preferred destination for grills and accessories, we are excited to celebrate Father's Day with a twist – these modern grilling shoes originally designed by the shoe surgeon" said Kim Lefko, Chief Marketing Officer of Ace Hardware. "Your local Ace Hardware has the best brands for the grill master in your house, Traeger, Weber or Big Green Egg. We love celebrating dads!"

Ace Hardware knew that dads needed something more than just the average grilling shoe, which is why they teamed up with The Shoe Surgeon team. Known for its bespoke street shoes, the popular company was up for the challenge of elevating Dad's grill game.

"We realize that the grilling shoes of yesterday no longer meet the needs of today's modern dad," said Dominic Ciambone, founder of The Shoe Surgeon. "He thrives on the latest technology, he prioritizes being at home and spending time with his family and enjoys getting creative with recipes on the grill. With that, we constructed a shoe with Ace Hardware that was not only unique, but practical. Wearing these, the Ace grilling shoe allows dads to make their one-of-a-kind mark, both as a grill master and an all-star dad."

The #AceIsTheFathersDayPlace Sweepstakes begins on June 8 and winners are announced on Father's Day, June 19. The prizes include:
