"My sincere thanks to the entire Ace team for their determined and relentless pursuit of our three strategic imperatives – service, convenience, and quality – which delivered yet another quarter of record sales and profit," said John Venhuizen, President & CEO. "Revenue and income were up 10 percent and 1.3 percent, respectively for the quarter. They now stand 44 percent and 66 percent higher than just three years ago. Despite, and in some cases because of rampant inflation, the Ace team continues to deliver superior financial results and exceptional customer service to and for our neighbors."
